Introduction to Second Grade Creative Writing
Ms. Schuman's second grade G/T class wrote an original Love Song for some very unusual things. You will have to read the poems to find out who or what their songs were dedicated to.

Dev Bhakta 2nd
I'm singing a love song to my Laptop
My heart is filled with love
You and I go to fun websites together
I was so surprised when you Came into my life.
You make me so happy
Oops! I hit the wrong button
It turned you off.
Please return to me.

A Love song to my pet rat
Oh! my pet rat I love you so
I just can't let you go
You are so fluffy
Even though your name is Scruffy
And you love cheese
But you have fleas.
I still love you though
And your friend Bill does too
Oh no! To my dismay an owl has

eaten you!
Now how am I going to play with you?
It makes me sad, but I guess
I'll have to play with my best friend, Sue

Aubry Millwee 2nd
My love song to my frog
You are so ugly
It makes me want to puke
But I still love you!
You are half toad, half frog, and part Bull frog
You hop on my head, it is so much fun!
You hop all over the place until BOOM! You explode into green goop!
Now you are all over the place!

Austin Hagood 2nd
This is my love song to my TV
Too bad we can't be together all day
I love watching SpongeBob
My favorite show!
Wish I could put you in my pocket
And carry you to school
But I can only imagine if my teacher
Discovers you
I may lose my true love
SMASH!!!

Kenna Hall 2nd
My heart sings a love song
To my shiny earrings
I love you more than anything else
You make me feel so Beautiful and pretty too
When I wear you I'm Filled with laughter and cheer
And my heart pounds for you!
And then one day,
I lose you
I start to cry, where are you?
Through my tears I see
You and I am happy again.

Kolton Frazier 2nd
A Love song to my Wii
Oh! How much I love you, my Wii
I'm connected to you
You are the "funest" game in the world
You mean so much to me
As we move around in the city of animal crossing
You move me to think you are great
But all of a sudden the bee stings
Now, I need you to love ME

Parker Dunn 2nd
Here's my love song to my Play Station
I really, really love you
We can play together for hours
And never have a cross word
You give me lots of joy
Until my dad comes along
And turns you off
And says; Do your homework!!!!
