By Lara Bergen

 Jazzy Matlock 5th

This is a book about a girl named Amanda Hays who had the time of her life at summer camp. Before camp started, Amanda's BFF, Kate, said she was going to camp too. But she had to go to Ireland and couldn't make it. Amanda had to have a dorm room with a very outgoing girl, Allie. Amanda told all the girls in her hall that she had the best boyfriend in the world (which she didn't), and they believed her. When she got home, Kate wanted to know **everything** that happened at camp. Amanda told Kate everything but the fact that she was a **BFHL** (a **B**ig, **F**at, **H**uge, **L**iar)! Then Amanda got an e-mail from Allie that said, "My dad just got transferred to your town." That was when everything change. If you want to know what happens,

Dewey

by Vicki Myron

Reveived by: Ian Stark 5th

This lovely book features Dewey, a charming library cat. It is a good sob story. Starting with the beginning when they found him: stuffed into library drop box. He changed the mood of the entire town of Spencer; for the better! He will enchant anyone who comes his way with his eternal calmness. Next to nothing can upset him. He does get himself into a few "problems" but he is a cat after all.
