April 2009

## Historic Kids Emily Tindol 3<sup>rd</sup>

In 3<sup>rd</sup> grade we are doing a really fun project. We get to pick a famous person from the past and come to school dressed like them. But let me give you a little more information first. We have to go to the library and get at least one book about the person we are going to be. We will look in the public and the school library for information.

When we do presentations, we

will be on a "pretend" talk show. And there will be a talk show host. We will have to write five questions on a piece of paper for the host. And we have to write the answers on a piece of paper too. The talk show host will ask us the questions. We should know the answers because we actually have to write the questions and answers. Sometimes though, you get nervous and you may forget some of the answers. I am going to try really hard to get all of them right.

I will be Amelia Earhart (a famous pilot) that set many world records. This will be a fun activity for our class and we will learn about each other's person, too.

## Western Tales and Trails Billy Scheller 3<sup>rd</sup>

Do you know what's happening in Comanche very soon? On April 24-26, the Western Tales and Trails will be held on the town square, and there will be something to do for everyone. If you are thinking you can have lots of fun, you thought right.

Western Tales and Trails will have a lot of stuff and a lot of things to do. You will need to experience Comanche's Historic Downtown and you will find the best dining in Central Texas. There are specialty and antique shops and the occasional gunfighter that you might see at the Western Tales and Trails celebration.

When I said there was

something for everyone, I really meant that. There will be the outlaw run, people will be dressed up in costumes and will do reenactments about the old West. There will be all-class reunions and that can be enjoyed at the Brennan Vineyards.

There also will be a Pet Promenade. Now I would like to enter my own pet, Max. He is a good dog. There will be craft booths of all kinds and I am sure you can find something to buy. On Sunday morning there will be Cowboy Church on the square. So I hope you get to go see all of the activities. I know I would like to go. I am writing about the Western Tales and Trails in our book called *101 Places You Gotta See in and Around Comanche*.

## Salute to Texas

### Melannie Victoria 3<sup>rd</sup>

On Tuesday, April 28, the second grade students from Comanche Elementary will present a musical about our

dear state of Texas. Students will perform music, which will include some of our favorite Texas songs. Like "Texas our Texas." There will be others that are familiar too, I am sure.

Kenna Hall will be featured and will be playing a tune on her fiddle.

Second graders will also try doing a little "do-si-do" and Cotton, Eyed Joe."

It sounds like a "toe tapping" good time. Y'all come!

## Grade Math TAKS

### Camron Creek 3<sup>rd</sup>

Reading is over and math begins. You only get ONE shot at the math TAKS. The math TAKS test is held at the end of April. Believe me, you have got to know more than 4+4 to pass this test. They don't just have adding, subtracting, multiplying and dividing. You have to read written problems and figure out what you have to do to solve them.

We are doing lots of practice sheets to prepare for this test. We all want to pass. Our teachers want us to pass also. They aren't easy either.

Yep! It is called a MATH ATTACK! I hope everyone is ready. Cause folks it IS coming! If not, you better get ready.
