

# Fantastic G/T First

Ms. Schuman's first grade class enjoyed getting to "speak out" about days they remember during this past year. Most of what was remembered was positive and good but one or two resembled the book, *Alexander's Horrible, Terrible, No Good, Very Bad Day*.

## My Best Day was Awesome

Kelbie Pyburn Grade 1

My best day ever was the day we got to watch a movie. It was about a mouse that thought he was a gentleman. He saved a Princess. We got to watch the movie because we collected the most pennies and nickels for a good cause. I am in Mrs. Underwood's class and our class won. We liked our reward.

## My Best Day in First Grade

Madison Vandeventer grade 1

Today was the best day I've had in first grade because we got to see a movie I enjoyed it so much. We got to see this movie because it was our treat for collecting the most pennies to help others. We also enjoyed collecting pennies. I am in Mrs. Underwood's class. She was proud of us too.

## My Best Day Ever

Allie Campbell grade 1

My best day ever was the day we did a color wheel in G/T when we studying colors. I got to color the color wheel red, yellow, orange, purple, blue, and green. It was the most fun I ever had. It made me happy. It was so fun; I had so much fun, that I was so happy.

## Zeph Christian Grade 1

My best day was when we drew dimensional shapes in G/T. It was really fun. The sphere was the most fun. The others were fun too. We also drew the cube the cylinder, and the cone. We did this when we were studying architecture.

## My Most Fun Days in First Grade

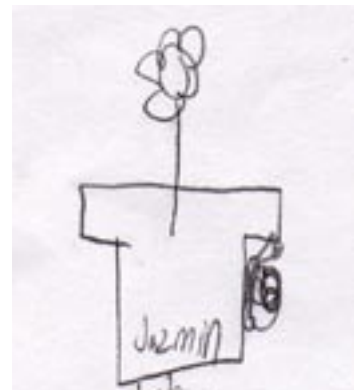

Erik Constancia Grade 1

I like to use computers. The day we used the computers to watch a video about Texas was great. You can also use computers to put pictures on a page to make it colorful. We did this in G/T when we were writing and putting pictures in our book. I really enjoyed doing these things on the computer this year.

My Erik Weirdest Day Jazmin Juarez grade 1

My weirdest day was when I found a snail when we were out on the playground. I picked it up, it looked weird; I wanted to show it to my teacher. She told me that snails like to crawl by themselves; so put it back down on the ground. So I did. That snail acted like it was dead. But it wasn't. I would see it later on a flowerpot.

The Worst Day in First

## Grade

Skylee Seth grade 1

The worst day in first grade was last Monday. When I got to school everyone started laughing. It was because I had forgot to brush my hair that morning. I tried to hide from everyone as best as I could but I still couldn't hide it. And whenever someone laughed at me I tried to ignore it, but it was impossible. At recess I hid in the tunnel, but it was no use. I was just going to have to stand the laughing. It just was the worst day of my life. I wanted to cry, but I didn't. The whole day I felt horrible. My teacher said it was OK and I shouldn't feel bad, but I did. I was too upset. I know someday I will think it is funny, but when you are my age, I can tell you it's not.
