First Grade Trip to TSU

Camron Creek 3rd

All of 1st grade students and teachers are all very excited because they will be going on trip to Tarleton State University on May 12, I REALLY wish I could go with them, but I went last year. My little brother gets to go this year. They will learn about time in space. In the planetarium they will see a presentation called *Larry Cat In Space*. In the presentation Larry Cat will fly a spaceship to the moon.

After the presentation they will have a picnic in Stephenville at the park.

Waiver Days

Jasmine Suniga 3rd

Waiver Days are days that the Texas Education Agency allowed for students who have met promotional guidelines. Do you remember the reading *TAKS-test*, and the math *TAKS-test*? If you passed both of them, and have met classroom requirements, then you get to get out at the end of the day on May 20. School will continue and the last day will be June 5, 2009..

Kindergarten Roundup

Billy Scheller 3rd

Calling all 2009-2010 Kindergartners! It is the time of year for the Kindergarten Roundup. The Kindergarten Roundup was on May 8, at 8:00 am in the Elementary Cafeteria. Parents had to bring a copy of

the child's birth certificate. Mr. Stahnke talked to the parents about how to prepare for their child coming to school. The children got visit one of the Kindergarten classrooms to see what to expect when they come to school. I hope they will enjoy school, because that is the key.

announce the kids that have made the A honor roll through the entire year without getting a single B on a six weeks report. At the all A's breakfast they will be serving fruits, vegetables, donuts, milk, coffee for the adults, orange juice, scrambled eggs, and bacon. I hope A LOT of people will attend the All A's
