G/T Open House

Kaylee Pickett 5th

This year, our G/T class had a lot of fun. We became entrepreneurs! That is where you sell things to make a profit. Each class formed a mini-society. We even have our own currency. The first grade society is Hot Rod City. Their currency was Tracks. The second grade is Horse Village. Their currency was Broncos. They decided to combined their resources and buy from each other. The currency they use is Bronco-Tracks. The third grade is Angel Island. Their currency is Heavens. The fourth grade is Black Pearl Island. Their currency is Anchors. The fifth grade is called Smartville. Our currency is Marks.

Here's our open house schedule
5th grade: Fri, May 16
4th grade: Mon, May 19
3rd grade: Tues, May 20,
1st & 2nd grade: Thurs, May 22

When parents and classes come, they will see many things, for example, our scarcity stories in the reading center. Scarcity is when you have so much of one thing, and not enough of another. Another thing you will see is our commercials. We made commercials for our products in our mini-society. We hope to see you there.
