Amazing Chimpanzees

Corie Tunnell 3rd

A chimpanzee lives up to 45 years. Chimpanzees eat fruits, plants and insects. They get a stick and pick up ants to eat them. They also use chewed-up leaves to sop up water to drink. They can get up to 70 to 130 lbs. It can get up to 4 to 5.5 ft. The chimpanzee is endangered. Chimpanzees can be found in 21 African countries.

Sheltie Dog Facts

Hayden Taylor 4th

Did you know that sheltie means Shetland sheep dog? Shelties are herding dogs and they can herd cattle, ponies, and sheep. Sheltie's coats can be black, brown, and white. A sheltie has blue or brown eyes, (sometimes even one of each). Pet shelties can be 20 inches tall and weigh up to 40 pounds. In the 1800's sailors brought shelties home from the island they had been on as presents. Shelties are originally from the Shetland Islands during the 1600's.

Softball Tournament

Kaylee Pickett 5th

I'm on a tournament team. The people on the tournament team are: Tonna Stephenson, Kaylee Pickett, Madeline Hufstutler, Chandler Vauhn, Kailee Hansmire, Kaycee C., Kaycie Dravis, Natalie Wright, Rachel Ripley, Kendra Gillam, Madison Hagood, and Kyli Cotton. We have a lot of fun. On the third and fourth of May, we went to a tournament in Fort Worth. It was very fun. We first played two pool games. Our first game we didn't do so well. Our second pool game we played a lot better. Then came our first bracket game. We played the Mean Green team. We lost that game, 3-6. Next we played GP Horns, we won, 13-2. Our final game we played the blue Explosion, we lost, 8-1. We went home at 10:00 Saturday night with the place of 12th out of fifteen teams. We were sad about leaving but happy we got to play. We hope to do well in all other tournaments we will go to.
