I asked first & second graders graders creativity challenging questions, like, If you were a dog what kind of dog would you be?, or, How would you hide a baby elephant from your mom in your room?, and ect. And as always, they came up with creative answers.

Brenna W. 1st

If I were a dog I would be a Great Dane! I'd run around a lot! I'd be black and white! I'd be a show dog! I'd win the grand prize! I'd be rich! I'd have a lot of food too! I'd be very happy!

Dillon C. 1st

If I were a Bulldog I would bite who ever touched me then I would happy. I would be brown with black spots.

Jesus H. 1ST

How do you tame a Lion? I would tame lion by getting a lion whip and show him tricks and to kill wild animals. I could make him be friends with my dogs.

Madison H. 1.st

If I was a dog I would be a Poodle and my brother would be a Beagle and my mom would be a cocker spaniel and my dad would be a Collie. We would go to the dog show and win the blue ribbon and we would be Happy and my friends would be Happy too!

Zane E. 1st

If I were a dog, I would be a Great Dane. I like Great Danes because the y are big. Great Danes are the

biggest dog. They help people.

Mireya L. 1st

If I had an elephant in my room and I had to hide it under my bed. But if my mom looks under my bed, she will say to go put the elephant back to the zoo. I now she means it so I go put the elephant back.

Good job, Mireya!

How do you tame a lion? This is how I will tame a lion. I will get a stick and put fire starter on it and make it catch on fire and keep on burning his tail until he does what I want him to, If that doesn't work. I will throw chairs at him. He will chase me but I will get out of the ring and he will hit his head.

Clinton S. 2nd

If I had a baby elephant in my room, I would hide him in my toy box because the zookeeper would be looking for him. I would shove toys up against the door. That way my parents can't get him.

Kaycee C. 2nd

Where would you hide an elephant in your room from your mom? I

would hide the elephant in my huge swimming pool in a fancy mansion or under my bed. Oh, no, she checks my bed every night so no I don't think... All the sudden, something interrupted me. There was an elephant at my front door. This would have been terrible if it wasn't a dream.

Kyli C. 2nd

If I were in charge of school, I would teach reading because reading is fun! I would let every kid have a snack if they didn't get their name written in the book 2 times at the end of the week. And if you didn't get your name written in the book 3 times you get to watch a movie. If you were super good you would get an extra recess. I would also teach dancing! Life would be good.

Ranlee K. 2nd

If you were a dog what would you be? I would be I would be a German shepherd because I like German shepherds. They have Pointe ears and a sharp nose. They have brown hair. I like them a lot. I would be FREE.

Saul L. 2nd

If I were lost in the jungle and I wanted to get out, I would ask a monkey to show me the way out of the jungle. If the monkey says no, I would say please. Then he will say ok. Then I would get out of the jungle.

Tonna S. 2nd

If I were a dog, I would be half Rottweiler and half chow. I would be brown. On the tips of my paws I would have white. My name would be Bridget. My eyes would be brown. I would be fuzzy. I would be nice. I would teach other dogs tricks. I would teach the dogs to sit, fetch and play dead. Also I would teach dogs to talk

to humans. That's what would happen if I were a dog.

Princess R. 2nd

If I were a dog, I would be a Doberman Pincher and half Timber wolf. My name would be Lightning, because I would run as fast. I would be 5 feet tall. I would be a cop dog. So here is my story: When I went to sleep, I woke up, and I was a dog! I was under

the top's chief's desk lying in a blanket. They hooked a leash on me, they, stuck a piece of cloth in front of my nose, and said," find it." When I found a person, I got a dog treat. I was happy. I love it there. My mom was a chow, my big brother is a big German Shepard, my little brother is a Chawawa, and Jonna is a pug.

So we were one "happy" dog family.
