

Honor Them

Brooke S. 5th

Hello and welcome to our show tonight's host is Mrs. Jones The theater arts, honor students teacher. The 7th and 8th Theater Arts students came to our school Wednesday, May 12, at 9:30 in the cafeteria. They were great! They read books, sang songs, told stories about our very own little town Comanche County and

made comedy. Oh yeah, they told us what they do every week no matter what... make commercials on KCOM! And sometimes they even work just on the commercial for 2 to 3 hours! Wow! Anyways Mrs. Jones told the 5th grade what it would be like next year for us. I think this is going to be great for the coming up 6th graders in theater arts.

Well That's All Folks!!!

Tales from the Story Trunk

Brady M. & Brooke W. 5th

On Monday, May 10, the play Tales From The Story Trunk came to perform in the cafeteria. It had

new and original stories and tales. It was very interesting. The Young Audiences of Abilene performed the play.

Thanks for all the people who participated in the play!

Frontier Texas

Taylor S. 5th

On May 17,18, and 19 the fourth, fifth, and the third graders went to Frontier Texas located in Abilene. The technology was incredible. It put us right in the middle of attacks by Indians and wolves. We were also in the middle of stampeding buffalo, a prairie thunderstorm, and even a lovely spring evening filled with fireflies. We played a card game shootout. I hope everyone had a wonderful tim.

Play-day Fun

Sarah T. 5th

On May 13, the kindergarten, first, and second grade had a play-day at 9:00-11:00 am. The play-day was across the road from the gym. There were six stations that the kids went through. Ribbons were distributed to winners of the fifty-yard dash and the softball throw. Some classes stayed across the street and ate a picnic lunch. Everyone had a great time!

On May 25 we had the awards ceremony in the cafeteria. This ceremony represents a lot of stuff like recommended performance for TAKS, students who have perfect attendance, top twenty readers, UIL awards, and much more! So congratulations to everyone that received an award!

All "A" Breakfast

All the children that have made the "A" honor roll every six weeks were honored with a breakfast on May 27. Some of the fifth grade students provided the entertainment.

Kids For Kindness

Meagan J. 4th

Mrs. Joanne Chambers visited the 1st,2nd and 4th grade G/T classes and asked us to work with her on a "Random Act of Kindness" project that an organization in town is doing. We kids drew a picture that depicted kind deeds. We first drew the picture on paper and then we transferred the picture to fabric to make a quilt block. The third grade did two quilt blocks, too.

Mrs. Chambers will put the blocks together to make the quilt. Mrs. Chambers is very kind, just like her quilt will show. We were encouraged to think about ways to help those in need. We drew things like helping the Cancer Society, being a friend, and community rehab. This summer you will see the quilt displayed in a downtown building.

Mrs. Joanne Chambers did a good deed for us. She can add that deed to her quilt!!!

Watch Out! Stampede!!!!

Kerri D. 5th

The Kindergarten round up has come to town and all the new boys and girls were there!!! The older kids sang a few songs. The parents went to another room and talked about medical things like if the child has had their shots or not and if they haven't they need to take care of it if they haven't already. The kids went to another room and read books and sang songs. The kids had a lot of fun! Some couldn't wait to go home and others didn't want to leave!!!

JOIN US NEXT YEAR FOR AN EXCELLENT YEAR!!!!!!

Kindergarten Farm Trip

On April 21, 22, 23 the Kindergarten went to a farm in Rising Star. The farm was at the Lawrance cattle company. The Kindergarten classes went two classes at a time to the Lawrance cattle company. They all got a tour where they saw sheep, horses, cows, ducks, goats, donkeys, pigs, chicks, llamas, and the farmers Howard and Carol Lawrence. They got to feed baby goats and some got their pictures taken with them. Then they got to go on a hayride and got to eat a picnic lunch.
