

**Students Helping Others**

**Parker Dunn 3<sup>rd</sup>**

On Saturday, March 27, there was a 5K run, walk at the city park for the Hickman family. Several students from the 3<sup>rd</sup> grade Elementary School took time out to run with a lot of other people from the community. The cause was for the Hickman family to

help pay the medical bills that have accumulated. The father has been ill and the family is in need of financial help.

The students who participated from third grade were: Parker Dunn, Kolton Frazier, Nina Koster, Robert Stephens, and Kade Mercer. We are proud of these students for participating in this worthy cause. It is great when young people feel the need to help others.

About middle of the way, there was a concession stand that provided water for the runners. This was helpful because some people got tired and needed something to drink to keep them going.

T-shirts were given to the first one hundred and fifty entries. Some of the kids were lucky enough to get one. But most of all everyone was glad they could help someone in need.

**Reflections of Spring Break**

**Kolton Frazier 3<sup>rd</sup>**

Spring break is one of the most fun times of a school year. Each year an entire week is scheduled so that students and teachers can take a break from school. It is a time for relaxation and families to go places if they would like to.

I was one of the lucky one. I got to do a lot of stuff during Spring Break. My dad's family took me to San Antonio to see Fiesta Texas. It was great fun. I liked the Superman Krypton Coaster, the best roller coaster I have ever ridden. Other things I saw at Fiesta Texas were the Swing Rides, the Holster, the Twister, Taz Tornado and the Road Runner Express. It was a lot of things to enjoy,

Then we went to the Tower of the Americans and the river walk. That was fun too. The boat tour

was really enjoyable.

Another place we visited was the San Antonio Zoo. The thing I like best was the River Bank where you could swim and play. I also saw an anaconda and the Kamodo Dragon.

Do you understand why I like Spring Break?

the park for an Easter egg hunt, the Pre-K morning class went to Western Hills for an Easter egg hunt and the Pre-K afternoon class had one here at school. First grade had an Easter egg hunt also. Second grade watched movies and had goodie bags. A breakfast Easter party and an Egg hunt was held on Thursday, April 8, for the third grade classes. All of the kids in third grade brought one dozen stuffed plastic eggs and some kind of food for the breakfast party.

After Easter parties are just as good as the one held before Easter—maybe better.

**An Easter Party!!!**

**Kenna Hall 3<sup>rd</sup>**

An Easter celebration was held April 8<sup>th</sup> at Comanche Elementary. Each grade level did something different. Kindergarten went to

Mrs. Lee's first grade class colored some Texas pictures and then read a poem to the Kindergarten classes. They enjoyed making the presentation very much. The Kindergarten classes had a great time viewing the Texas pictures and listening to the poem that the first graders read to them.
