Dear Santa,

I am the mouse in Hickory Dickory Dock. I feel so tired because I've been running up and down the clock. All that clock does is strike ONE, so I would like a new clock that runs better. Maybe it should not be so tall, so I don't get so tired. I would like the clock to have a mouse house to live in, and some earplugs so I don't have to hear the clock.

I have been good this year.

Dear Santa,

Hi! I'm the wee little pig that stayed home and didn't get anything to eat. For Christmas I would like some food like slop, corn, and oats. I also need fresh hay for my bed. My brothers and I also need shirts. We wallow around in mud so much.

Love,

The Wee
Little Pig

Dear Santa,

Hi!! My name is Humpty Dumpty. I fell of a brick wall and broke into pieces. I need money to have a major surgery. I need somehow cloths because egg got all over me when I fell.

I promise I will never sit on that brick wall again. I hope to be home by Christmas. I have been nice except for falling off the wall.

Love,

Humpty, Dumpty

Dear Santa,

I am the old woman who lived in a shoe. I am so tired because I have so many children. Would you please let me have a baby sister? I also need a bigger house, and more beds. I need something better than soup to feed my children. You are a good Santa.

Please
help me,
