### Santa's Snack

Gabrylle B. 3<sup>rd</sup>

I'm going to tell you how to make a snack for Santa! He'll be so happy to set his lips to your snack! This is going to be a piñata. When you finish you will set it on a table, or hang it where he can find it. Have fun!

What you need:

A small colored gift bag  
Candies  
Tiny toys  
Peanuts  
Tape  
Hole puncher  
Scissors

String  
Colored tissue paper  
Glue  
Colored markers  
Paper  
Stickers  
Ribbons

What you do:

1. Fill a bag about half way to the top. Fill it with tiny toys, candy, peanuts, or all three items.
2. Fold the top of the bag down, then tape the folded top shut.
3. With a hole puncher, punch two holes in the middle of the folded bag top.
4. Loop a piece of string through the hole.
5. Tie a knot at the end of the string.
6. Cut strips of tissue paper to make fringe.
7. Glue pieces of tissue paper to cover the bag.
8. Decorate the bag with tissue paper, markers, ribbons, and stickers.

Now your bag is ready for Santa!

## How to Decorate a Christmas Tree

Taylor S. 5<sup>th</sup>

Do you have a plain Christmas tree? I used to until we decorated it. It's fun and pretty easy to do if you have a grown up to help you.

Items needed:

- Christmas tree
- Garland
- A star, bow, or an angel
- Lights
- Ornaments
- Tree skirt

How to make it

Put the Christmas tree in your living room. If it's a real tree the branches are already spread out, but if its not a real tree you need to spread out the branches. Now wrap the tree skirt around the bottom. Wrap the lights and garland around the Christmas tree. Start putting the ornaments on the Christmas tree after you have put the lights and garland on it. (Remember to be careful with the ornaments). To top it off put the star, bow, or the angel on top. Now you have a beautiful Christmas tree!
