Jump Rope Contest Yahaira N. 5th

These are all the jump rope contest winners from 5th grade to third grade. These are the girls that won a metal Lauren Duncan, Jaime Higginbotham, Ashley Licea, Cindy Melgoza, Brook Allen, Taylor Stephens, Chandler

Vaughn, Amanda Sanchez, and Deissy Mariscal. Now these are the boy winners Cameron Ellis, Eric Garcia, Manuel Rangel, Jaylon Roberts, Tyson Rodriguez, Jesse Espinose, Arek Carrol, Steven Bergmark, and Travis Hickman.

The Book Fair Saul L. 3rd

The book fair was at the upper elementary library. There were joke books and the most popular posters were muscle cars & horses. The most popular books were How to Draw Speed Machines, No Dogs Allowed, and The Secret Codebooks.

Ms. Carruth schedules the book fair every year. There were fourteen volunteers, two principals, and several teachers.

The gross sales were about four thousand, one hundred sixty- eight dollars. The school got over six hundred fifty- six dollars worth of free books for the library and to go into the third, fourth, and fifth grade AR classes

TAKS Test Yassiel I. 5th

ATTENTION! BIG test coming up called the TAKS, Texas Assessment of Knowledge and Skills. The fourth grade will be taking the writing TAKS test Tuesday, February 22. The third and fifth grade will be taking the reading TAKS test Wednesday, February 23. If a third grader doesn't pass the reading TAKS test they will not go to fourth grade, and fifth graders have to pass the reading and math to go to Jr. High.

We all want to pass the TAKS tests so here is some advice:

- Eat a good supper
- Relax your brain
- Take a nice hot bubble bath
- Go to bed early
- Eat a good breakfast, toast with peanut butter or some type of protein not too much sugar though

Third, fourth, and fifth graders please do your best! Please and thank you.

T.A.K.S Tips Seth S. 5th

You all want to do well on the T.A.K.S Test, right? Here are some tips to help you do better.

1. Get plenty of sleep the night before the test.
 2. Eat a healthy breakfast
 3. Sit up straight and focus
- Well, good luck on the test!!!

Ads

Princess R. 3rd

Everyone in third grade GT class made an invention and now we are making ads. I made a cool ad. I made it look like we were outside! It looked so cool. Christopher was down like a dog! I made Scooter's Supper Dog Robe. It has a built in leash. It only cost \$19.99 plus \$2.95 shipping & handling. Order it at 918 kangaroo highway or call 1-800-325-1503 (not a real phone number or address). It's so good people want to try it. All together it cost about \$23.00. We are also going to make a commercial about our invention.

Jump Rope For Heart Tonna S. and Kaycee C. 3rd

We interviewed Mrs. Lacy about jump rope for heart. This year in third grade 36 kids entered, in fourth grade 30 kids entered, in fifth grade 14 kids entered. They began jump rope for heart in 1987. Riley Humphrey collected the most money, he is a fifth grader and he collected

\$318.50. We collected the most money in 1997-1998, we collected \$7,641.70. You could win a water bottle for \$5, a jump rope for \$15, a orbit ball for \$30, a t-shirt for \$50, a stunt top for \$75, a sling bow \$125, ear talkies for \$200, a reflect soccer ball for \$300 and that is all that anybody got but it isn't all of the prizes. The jump rope for heart was on January 24, 25, and 26. This year we raised \$4,188.28.

Commercials Daisy L. 5th

The third, fourth, and fifth grade G/T classes made inventions that have never been invented. We had to ask ten people to see what they thought about our inventions. We made graphs to show our results. After that

we had to make a model, an ad, and our review. We put all of these on our display boards. And the last thing was our commercials. On our commercials we could have music, pictures, or both. We have been filming our commercials inside and outside. We hope we can all show you our commercials!
