My Brother
Alek Carroll 3rd
My brother looked in Wal- Mart
Because he wanted Pop Tarts
He finally found some
And didn't know the price

He bought them all at once
Then took them home to eat
He ate them in 2 minutes
But soon got sick

He stayed in bed for four hours
that soon became days
The doctors were afraid
They were doing everything
They gave him 66 shots
Which only took 1 minute

They gave him 27 gallons of
medicine
Soon he felt better
But then he felt too good
So they had to make him sick
again
They gave him 459 bad shots

But none of them worked
So they gave the last shot
It had rabies in it

And that's my brother.

Valentine Surprise

Hey,
It's Valentine's Day,
Let's play,
We'll make a card,
It's not that hard,
There will be cookies and
punch,
Right after lunch,
Red and pink,
That's what I think,
So come be mine,
My Valintine!

They sound cool
In their names
They taste dusty

They smell rusty
They feel bumpy
When they go stumpy

Calliope Day... Falls in Love?
Libby Evans 5th
The book Calliope Day Falls in Love, is about a girl who loves skating and is entergetic, but one day she and her friend Noreen are skating and the power goes out at the rink. When it comes back on, there is a red note in Noreen's ice cream. Noreen has gone somewhere and Calliope picks it up and there is a poem in it.

The note or poem is not to Calliope; it's to Noreen. So, who's the poet that wrote to Noreen? Does Calliope fall in love? Read the book and find out. I know you'll love it.
