Daddy Daughter Sweetheart Dance

Rachel Lilley 4th

A Daddy/Daughter Sweetheart Dance was held on Saturday February 2nd in the Comanche Elementary Cafeteria. This was the first time an event like this had been held. It was a wonderful idea. When you

arrived at the dance you had the choice of having your picture taken, dancing or having a snack. They had a cake that was 18 inches wide and 24 inches long! Wow! That was really neat.

They had two chocolate cakes, punch, cookies, burritos and cheese and ham sandwiches. We all had a lot of fun!

Tacky Day

Mireya Limones 5th

Kindergarten kids had so much fun on Tacky Day!! Tacky is a funny penguin, which the kids admire. The kids dressed like Tacky and they thought it was fun. They wore shorts over their pants and a wild flowered top

with a bow. They played quite a lot of games, like they would put an egg on their feet and try to walk like that. They also would try to walk like a penguin. They called these games Egg Races. This day was so fun they wished it would have never been finished!!!!!!

TAKS

Dillon Cotten 5th

I know everybody thinks TAKS is boring and that it is annoying but here are some ways to help you ace that test. Don't stay up late the night before the TAKS test, you should get a good nights rest. Eat a good breakfast before you take the test. Take a break every ten or so questions. Take a deep breath because air gives oxygen to the brain and it helps you think better. So remember these tips and you might get commended.

Rumpelstiltskin

John Whiteside 4th

A theater group from Weatherford Junior College preformed for Comanche Elementary School on February 5, 2008! It was the bakers daughters birthday so she got to choose what play she wanted to do! She chose Rumpelstiltskin!! There was a queen and her son, a baker and his daughter and a very quiet girl. She did messages by sign language! Then the queen's son and the baker's daughter

liked each other! Then they got married! She said can you put string through gold! Her father said yes! But she couldn't! a secret woman came by and said OF course she could spin string through gold! She did!! The woman needed something and she wanted their first baby! The princess agreed! Then she had a baby! The woman took the baby and search began!!! Finally she got the baby back!!!!!!

I think it was wonderful! My favorite part was, hmm, all of it!
