If I were a talking cat and a fairy was my owner I would ask her for a fish and bowl of water and blanket. And I would ask her for more things to like a real mouse so whenever it comes out I could chase it all around the house and bite its tail. And my fairy's name would be Jessica. And on Halloween she could be herself every year. And I could be a ghost. It would be fun if it

wasn't a dream.

If I were a cartoon character, I would be Wanda on "The Fairly Odd Parents" who is a fairy and she is funny and grants wishes to Timmy Turner, a boy with a pink hat. Wanda has a husband named Cosmo, who she changes into a toilet. I think this is pretty funny so maybe if I were Wanda I could do some funny things and also because I could fly.
