

How To Brooke S.

Crafts for kids
Brooke S.

Tooth Pick Cactus

Materials:

- green construction paper
- toothpicks
- glue
- paintbrushes
- scissors
- colored tissue paper
- sand

Instructions :

1. Trace a simple cactus shape on pieces on green construction paper.
2. Cut out the cactus

3. Glue the cactus on another piece of paper.(any color)
 4. Paint the glue onto the cactus with paintbrushes, then glue toothpicks. (To make the cactus needles.)
 5. Tear and squish up in small pieces of colored tissue paper to glue on as flowers.
 6. Paint glue under and/or around the cactus and sprinkle sand to look like the desert.
- THERE YOU GO! A TOOTH PICK CACTUS.

How to Make a Seed Picture

Gabrylle B. 3rd

You will need:

1. Cardboard [heavy]
2. Glue

3. Pencil
4. Paint and paintbrush
5. Seeds, popped popcorn or un popped popcorn, beads, small rocks, or un cooked beans of different colors.

What you do:

1. Draw your picture on the piece of cardboard.
2. Glue the seeds, popcorn, small rocks, or beans on the inside or outside of the picture.
3. Paint one or more items from step 2.
4. Let the paint and glue dry.
5. Now You're Art Is Complete!

Dear G/T Brady M.

Q. Is G/T challenging?

A. Uh, yeah!

Q. How long can a horse live?

A. I don't know. Go buy

one and find out.

Q. Is G/T fun or cool?

A. Both. But it's also hard work.

Q. Why are you in G/T?

A. Because I took the G/T test.

Q. Why won't my grandma tell me her age?

A. Because it's none of your business!

Q. What happens to a smart cow?

A. He gets treated like all of the other cows.

Q. My teacher won't tell me how much she weighs. Why?

A. Well, because it's rude to ask your teacher

how much she weighs!

Q. How do you get in G/T?

A. You take a hard test for it.

Q. Why do the Aggies stink?

A. It just strikes them as being "normal".
