### The Four-Leafed Clover Gaby B. 3rd

One day Alex and her brother Jaden were walking home when they passed a clover field.

"Hey, let's look for a four-leafed clover," Alex suggested.

O.k.," Jaden said. So they searched.

"Any luck?" Alex asked.

"No," Jaden replied.

"Me neither", Alex replied. But she really did find one! When they got home her dog didn't jump on her, like he usually did.

"Hey, how come the dog won't jump on you but he'll jump on me?" Jaden asked.

"Don't know," Alex replied. And under her breath she said, "Thanks to my clover" So she went up to her room. She actually won her video game!

"Yes!" she shouted.

"Hey, what's going on up there?" Her dad asked.

"Sorry," Alex replied. Then her clover spoke to her!

"HEY, kid!" It said.

"Huh?" Alex said.

"Yeah, I'm talking to you!" the clover said.

"AHHH!!!" Alex shouted.

"Hey, you've got to take me back to the clover field." It said again.

"A-A-Alright, then I will." Alex replied. "Just don't talk," she said.

When she got home her dog jumped on her!

### The Sword of Sir Robin Brady M. 5<sup>th</sup>

When Sir Robin pulled out the famous sword, I noticed that it was no longer stained with blood, but it was shiny and magnificent.

Sir Robin noticed the scared expression on my face, and he said, "It's okay, Mike, you'll be with the blue knight soon.

I pulled out my dagger and launched it at him. He dodged it easily, and it sailed into the wooden barn wall behind him. He started to walk towards me.

All of a sudden, the knight started to scream.

"No, it can't be you! I destroyed you all!"

Three ghostly objects that resembled knights that wore green, white, and blue were surrounded around Sir Robin.

"I destroyed all of you! How can you be here?" Sir Robin was fighting all of them off of him, and finally they all evaporated.

I looked at the knight and noticed that he wasn't holding his sword. Then I saw it. The sword was resting on the pile of hay that I had laid on earlier.

I have to get that sword, I thought to myself.

I took a deep breath, and jumped for the sword...

Aliens Are Among Us

Alexandria S. 5<sup>th</sup>

"Alpha here, so what's the news?"

"Nothing much. Kilo says there's a strange thing happening in Delta though. She says people are buying more clothes and food than usual and we all know: people in Delta aren't very affluent," was Tango's reply.

Let me fill you in. My name is Alpha and I'm from the planet Zulu. Tango, Kilo, and I are aliens, as you would call us.

Tango and I are chatting on are charlie. A charlie to us is a computer to you. The difference is, is that a charlie is the same size as a piece of paper, it's wireless and you never have to recharge it, and you write with an electronical pen, or you talk through a microphone.

Delta is where we live. Delta has an orange lake, houses around it, and mountains in the background.

"I'm sure it's nothing."

"Maybe."

There was a pause.

"Hey, Kilo logged on!"

"Kilo to Alpha, Kilo to Tango, are you there?" That was Kilo.

"Hey, what's wrong?" asked Tango.

"I just found out. The reason why Delta is acting strange is because we all have to move to Echo!" declared Kilo. Echo is 'Earth' in alien language.

"We're all being sent to Echo?"

"Do I here an echo in here? Haha. You get it? Echo? Because she said...Well, then I guess you

don't."

"That's not funny Tango. We're being sent to Echo. But why? That's what we have to figure out."

### The Terrific Team Part 2: I, am Racasha 1 Zachary A. C. 3<sup>rd</sup>

One night on Raey (home of the Raca), The wizard of darkness was casting a spell.

"Chang, cho, la, ta," he said.

"This will help Racasha a lot."

On Earth, Jason and Brian were about to go to History class, when their danger beepers went off.

They sounded lower. This could only mean one thing, another hero. They went into the restroom to morph.

"Fire translation!" Jason said. He transformed into Fire Foy.

"Water Translation!" said Brian. He transform into Water Boy.

Out at a field, they met with a man.

"My name is Sword Man," he said.

Water Boy pounced. He and Sword Man rolled down a hill. They began to sword fight. CLING! CLANG! CLING! All of a sudden, Racasha appeared.

"Oh, did you begin without me?" he said. "How sad, and if you want to know, I, am Racasha.
