

The Shakin' Breakin' News!

Comanche Elementary School March 2008

That's Got To Be Jazz
Kailee Hansmire 5th

On February 26, the fifth graders performed a play called "That's Got To Be Jazz." We did it for the third and fourth graders and our parents. Some of the songs we sang were "Sing Sing Sing",

"That's Gotta Be Jazz!", "Basin St. Blues", and "I Got Rhythm.". Kailee Hansmire, Dylan Riley, and Brenna Warren sang a solo in the song "Basin St. Blues". Enna Carroll and Monica Mathes sang another solo in "It don't mean a Thing." The fifth grade students really enjoyed the program!! We all hoped we could do it again.

**Jump Rope for Heart and Hoops
for Heart Collection**
Daniel Volleman 5th

All of the money goes to the heart association to help the people that have heart cancer. The amount of money that we collected last year was over 8,000 dollars and we plan on collecting double that amount this year. The events that we do, are for all of the students if they participated or not.

The first person that had the most money in the Jump Rope for Heart contest was Emily Tindol

with 226. The second one was Trenton Best with 200. In third Landrie Day with 175. In the Hoops for Heart contest was Madison Gore first with 305. In second Ty McCullough with 200 and in third is Audrey Montgomery with 188. Those six kids will be getting trophies at the ceremonies.

You can win prizes if you raise 150 dollars or more you get two tickets to go to Hurricane Harbor and your name is put in a drawing to win 4 tickets to Disney World. The top three that raised the most money will be awarded a trophy and the class that raises the most money will be going to the city park for the rest of the day to play.

The New Building
Angie Evans 3rd

As you know fourth, fifth, and sixth will be moving into a new building. Mrs. Carruth is going to be our principal at the new school. The new building will have a music room, meeting rooms, a lunchroom, special education room, and PE room. There will be 6 rooms for each grade. The rooms will all have carpet. The cement is already poured in and they are putting up the structure. Mrs. Carruth said, "I think this building is going to have all of the things we will need."

TAKS!!!

Caroline Wilkerson 4th

Fourth grade took the Writing TAKS Test on March 5. We are hoping that our school, Comanche Elementary will be recognized by the state. If it does get recognized, Mr. Stahnke will wear a dress, wear high heels, and wear makeup.

If we make a 90% and above we will be commended and of course, if we make a 70% or below we will not get commended. We are all planning on making a very high score.

Emily Tindol, Trenton Best, and Landrie Day collected the most money in grades k-2.

Know about Drugs
Mireya Limones 5th

All fourth and fifth grade watched a play about smoking. We saw a movie about a boy who was taking drugs and had a very bad disease called cancer!!! The boy had three major surgeries after having his tongue removed. We learned how people get their tongues removed. When people start smoking, plaque starts building up on the tongue and the chin. The only way to get rid of that is to remove the tongue and the

chin. We also learned that no matter how you eat tobacco it could always harm you.

SPRING BREAK!!!!!!

Jesus Huerta 5th

Spring Break is here. On Friday March 14, we will get out at 1:30 and come back on the Monday March 24, when you return you we at the g/t class wish you had a awesome spring break. I heard rumors that some kids are going to go on spring break together to places like New Mexico or California.
