**Longhorn Basketball**  
Dillon Cotten 5<sup>th</sup>

The Texas Longhorns are the number 7 seed in the nation and there is only one undefeated team and it is the Memphis Tigers and they are the number 1 seed in the nation. And Texas hasn't played them yet so we might just win against them.

**Basketball Tournaments**  
Madison Hagood 5<sup>th</sup>

I am on a basketball team that is playing games in Stevensville and then going on to tournaments. Kathy Drewes is coaching the team. The girls on the team are I, Madison (34) Kacyie Drewes (33) Hope (3) Kyli (11) Kacyee C (31) Tonna (24) and Chandler (23).

We played 6 games in Stevensville and won all of them. Then, we went to the Brownwood Tournament. In the first game, we played a Brownwood team, and then we played Early SWAT. We thought that we were going to the championship. But we had to play one more game to get there. We played an Early-Brownwood team and beat them, so we were going to the championship. Since, we had not lost a game,

SWAT had to beat us twice to win. In the first game, they beat us, but in the second, we won.

The next week, we played in the Early Tournament and lost to the Early- Brownwood team. On Saturday, we played Bangs and beat them. Later that day, we played a Brady team and got beat. That was the end of the Early Tournament.

After that, we played in the Bangs Tournament and lost the first game against Brady. We lost to them again but only by 4 points. We are playing the rest of the tournament at the end of this week.

After the Bangs Tournament, we are playing in the Sidney and Goldthwaite Tournaments. We hope to have some more wins. For me, I can't wait to play again.

**Basketball News**  
Zane Ellis 5<sup>th</sup>

My basketball team is undefeated. We have won all games by twenty points. The names of my teammates are Zane, Daniel, Zachary, Caisson, Jaden, Travis, and Tanner.

**Jokes**

Corie Tunnell 3<sup>rd</sup>

**Facts About Cyanea  
Capillata (Sun Jellyfish)**  
Carly Mazurek 3<sup>rd</sup>

Have you ever been to the beach and saw a jellyfish? If you have I bet you have not seen a jellyfish this big! I am going to tell you about the Cyanea capillata. Do you want to know how to pronounce Cyanea capillata? This is how you pronounce it (sigh-an-ee-ya) (cap-ill-ah -tah). This is how big it's bell or head is sometimes 8 feet. The tentacles can be 200 feet long!

**Chihuahua Facts**  
Payton Nance 4<sup>th</sup>

Chihuahuas originate from Mexico. They are really small. There are dif-

ferent types like Deer Legged and Teacup Chihuahuas. They can be long or short, fat or skinny. The height ranges for a Chihuahua are between 6 and 10 while other dogs' height ranges are between 12 and 15. Chihuahuas weight is about 5pounds or less they are not heavy at all.

The lifespan of a Chihuahua is 15 years or less.
