

### G/T Photography Show

Dev Bhakta 3rd

The G/T classes, grades 1-6, had a Photography show called "Our Community--A Child's Eye View" which featured the works of the G/T students in Comanche Elementary School and Comanche Middle School. It was held in the Comanche Community Center with two night showings on May 11<sup>th</sup> and 13<sup>th</sup>. Parents and relatives received special invitations. Community dignitaries "kicked off" the opening night with a welcome and congratulations. The students were praised for their hard work and interesting and beautiful photos they had taken during the school year. The public was invited to view the photos during the days of May 12 and 13.

The photos were divided into categories: Black and White, Color, Digitally altered, and Where in Comanche?. People's Choice awards were given for the special categories on Thursday evening.

### Kindergarten Round Up

Alexis Donald 3<sup>rd</sup>

On May 7, five-year-old kids, who are ready to start Kindergarten, came to school to register for the 2010-2011 school year. They visited the classrooms

that they will be attending next year. Mr. Stahnke visited with the parents and told them what they can expect their children to do in Kindergarten. The children got to play on the playgrounds.

lot of fun. The Ft Worth Zoo has been completed renovated. Habitats, for example, are bigger and the animals have more room to run and play there. And there are also many new and endangered animals have been added to the zoo. The elephants even have padded rooms to stand on and protect their feet. Doesn't that sound great?

Kindergarten students went to

### Zoo Days

### The Middle School Tour

Kenna Hall 3rd

The third grade classes went on a tour to the middle school. Ms. Carruth, the principal of the middle school, showed us all of the fourth grade home

room classrooms, the math classroom, the reading classroom, the language classroom, the lunchroom, the gym, and all the offices. It was fun, and I am excited about moving to the middle school. I hope the other third grade students are, too.
