Watch out turkeys! Warning! Warning! It's Thanksgiving! Hunters are out! What are the 2nd Grade turkeys Going to do???

Karyna D. 2nd

If I were a turkey I would think before the turkey hunters caught me because they want to eat me for Thanks giving. I don't want anybody to eat me. So I would talk and I say, "What are you doing? Do you know what today is? It is not Thanks giving Day."

The hunters would say, "Who cares? We are still going to eat you."

"AHHHHHHHHHHH." I have to get out of here. I need to go to get a trap. But they caught me and they cooked me but I was still alive. And they put gravy on me. I licked up the gravy and I got a way. I was saved but my feathers were gone.

I am going to the store to buy a

new suit of feathers.

Christopher M. 2nd

You might want to be like me because I'm going to out smart those hunters before Thanks giving. Here is my story.

One day I was walking in the woods. Hunters began chasing me. I ran and ran. Then I had some ideas. I turned really sharp. Then I saw a hole my size. I went in the hole. I stayed in the there for a long time. Then I came out. They were not there. Then I looked again. They were in the tree. I ran and ran. I climbed the tree. They didn't know where I was.

Then I jumped on them. They were very mad. They shot, but they missed. There was a very large thorn bush.

I was going so fast that I flew over it. But the hunters fell in the thorn bush. And that's how I out smarted the hunters.

Garrett R. 2nd

If you're like me, a turkey, you might like this story. It was almost time for Thanksgiving and two hunters and their families had no turkey. They hunted for my family and me. They spotted me. A man said, "Shoot."

They shot a bullet. I played dead. They picked me up. They stopped. I jumped up and ran away with my family. They were left surprised.

Kaycee C. 2nd

If I were a turkey, I would have to think fast before Thanksgiving. And this is how I would out smart the hunters.

I'd say, "Hey hunter! I've got a surprise for you." Then he would look and I would have my wings folded out to punch him. It would scare him so bad he would run away.

Princess R. 2nd

Tomorrow is Thanksgiving. I have to get ready to hide because the turkey hunter is going to kill me. But I have some tricks. I set up traps that are hidden in the woods. I'm working on a surprise for the hunter.

The hunter fell in the mucky muck. He was mad.

He ran and caught a fake turkey made out of fruit and vegetables. I knew it would work because they had never tasted turkey. So I ran away and never came back.

Ranlee K. 2nd

Before Thanksgiving gets here, I had better run away because the hunters are out. Oh no, I was too slow. The hunters have trapped me. They have cornered me.

"Please, Mr. Hunter I will walk with you to your house."

The hunters turned around. I quickly ran away. They didn't have me for Thanksgiving.

Saul G. 2nd

If I were a turkey, I would think fast so the hunters wouldn't catch me for Thanksgiving.

I have an idea. I will get a decoy turkey and put it in the woods. They will think it is me.

Sure enough, the hunters came. They saw the decoy. They started to chase it, but it didn't move. The hunters had to go on their way.

I was saved.

Steven B. 2nd

I, the turkey have to think fast because I know hunters are trying to find me. Tomorrow is Thanksgiving so I have to out smart those hunters.

Sure enough they caught me so I said, "I'm a karate master."

"What?" they said,

I said, "I am the karate master. If you mess with me, I'll do the helicopter kick on you."

That surprised the hunters so they ran away to find another turkey.

Tonna S. 2nd

Tomorrow is Thanksgiving and the hunters are trying to kill me. Oh no, here they come. They are getting their guns out.

"Please don't kill me." I said. One of the hunters fainted because I talked.

The other hunter started running. After a little while he got tired of running and remembered his friend. He went back to find him. He saw me.

I said, "You're not going to eat me for Thanksgiving."

Guess what? He fainted. I was free and ran away.

Kyli C. 2nd

If I was a turkey, and it was around Thanksgiving, I would try to stay alive by hiding till Thanksgiving was over.
