

How To Taylor S.

Fall Leaf Turkey

Taylor S. 5th

This simple craft is fun and easy for all ages. It is good to decorate your home around the Thanksgiving holiday. Some of the materials are even free because they are natural materials. These are the materials.

Materials

- Fall leaves
- Skinny pinecone
- Wiggly eyes
- Glue
- Scissors
- Colored paper
- Felt

How To Make It

First go outside and collect

autumn leaves and a skinny pinecone. (You can press the leaves for a few days. This will help the leaves from getting crunchy.) Next glue the leaves onto a piece of paper in a fan shape. Glue the pinecone onto the bottom of the fan of leaves. (Use lots of glue) get your wiggly eyes and glue them on the pinecone. Now make an orange beak and a red wobbler from the felt and glue them on the pinecone. Finally let hang up and dry.

Dear GT, Brooke S.

Dear GT,

How do I feed a hamster?

Well, from my experience, I usually--or I did until a little accident --just put the food into his/her little bowl.

Dear GT,

Why do people have knees?

Well, if you're involved in any sports, better be glad you have knees!

Dear GT,

My friend is annoying. What do I do?

Well, if my friend was annoying, I would tell her about it so she can get over it!

Dear GT,

Why are you an Aggie?

My sister and brother are going to college at A&M and ... What can I say. They torture me into being an Aggie. Oh well! Go Aggies!

Dear GT,

If you have a hamster that's smarter than you, what should you do?

Get tutoring from your hamster!

Dear GT,

What do I do if I haven't seen my brother in a long time?

Go see him!

Dear GT,

How do I tie my shoes?

Very simple... make a bunny loop pull through and Bingo! You have learned!

Dear GT,

How do you beat

Booby, Bills team in football? Play hard, have confidence, and practice makes perfect!

Dear GT,

Does a bucket of paint weigh as much as a bucket of milk?

Depends on what kind of bucket you have or if the buckets are the same. How about you try.

Dear GT,

I have boy trouble... I'm going out with someone but another boy asked me out. What should I do?

Just go out with the one you like more.
