

### See the Sea Kristiea E. 4<sup>th</sup>

On Friday, October 29, 2004, kindergarten, first, second, third, fourth, and fifth grade saw the movie "See the Sea". It was very exciting! There were lots of different kinds of animals. There were lots of coral reefs, too.

The speakers talked a lot about scuba diving. They said

### 5<sup>th</sup> grade Play Monica M.5<sup>th</sup>

On November 16 the 5<sup>th</sup> grade is putting on a play "Shhh Were Writing the Constitution." Mrs. Henry our music teacher is the one who is doing this program. She has some 5<sup>th</sup> graders to come out in the program. We had some parts like delegates, Franklin, Washington, solo parts for singing and many more.

The rest of the 5<sup>th</sup> graders who aren't going to do any special parts are going to sing the choruses. The people who have a special part are probably going to dress up with wigs and costumes. The others might dress up in red, white, and blue. They are going to have this program welcome to everybody. Hope you liked it!!!!

it was very fun. They also said that Mrs. Curruth went with them. Imagine that! They said that she was a good listener. She said it because it was her first time to go scuba diving.

I can't wait for them to come back next year! They are so nice, and they always have something very interesting to tell us about. You can always learn some thing new when you see "See the Sea".

### Mrs. Tindol Tonna S. 3<sup>rd</sup>

Mrs. Tindol is the new Pre-K teacher. Last year she was a kindergarten teacher. She taught kindergarten for eleven years. She misses some parts about kindergarten but she likes Pre-K more. She changed grades because kindergarten took too much time getting ready for class. She decided to change grades last year.

Once the slide was wet and slick and some Pre-K students were on it and they went down fast and it was like funniest home videos. They had backwards day and that was fun. They wore their clothes backward, walked backward, and instead of saying hello they said goodbye.

She thinks Pre-k is fun. Something special is that she is glad to work at Comanche Elementary with so many dedicated teachers. That's some thing about Mrs. Tindol.

### KCOM Interview

Kyli C.

Hey, G/T is going to be on the radio. Listen to KCOM 15.50 AM the week of Thanksgiving then you'll find out what G/T is thankful for. On Thursday November 4, Gary Hughes interviewed the 2<sup>nd</sup> grade G/T. On November 8 Peggy Vinyard ,my grandmother interviewed the 3<sup>rd</sup> grade G/T.

Dakota, Sean, Tyler, Zac, and Kolten are practicing Number Sense for their competition for UIL on Nov.18!

Comanche Elementary

Oral Results at

UIL

Hillsboro

Blake D. 4<sup>th</sup>

Meagan J. 5<sup>th</sup>

As most of us know our usual UIL practices for competition have been going on for quite some time. Students who have been working on this event have been practicing for about five weeks on Music Memory; Oral Reading; Art; Spelling; Maps, Graphs, and Charts: Ready Writing, and Dictionary Skills. This year instead of our usual trip to Ballinger, we went to Hillsboro for our preliminary competitions.

We had prelims for UIL in Hillsboro, TX on Tuesday November 9. The events that went are storytelling, oral reading, and spelling. We do not have the results of spelling (not until November 18). The people who made it will move on to the finals. In second grade storytelling Matti Kohl and Sandra Schwartz are representing Comanche. In the third grade storytelling Garret Robinson is representing us. In second grade oral reading Colton Jones will be going to the finals. All of the third grade oral readers are going to finals, Emily Steward, Caisson Montieth, and Steven Bergmark. And in fourth grade oral reading Audrey Alvarado. Sadly in fifth grade oral reading there were no Comanche finalists. We want everybody to know we are extremely proud of all them. Good luck to all the finalists!

### Thanksgiving Holidays!

Daisy L. 5<sup>th</sup>

On Thursday, November 18, we will be getting out early at 1:00 because UIL will be held here. Then we will be out on November 24, 25, and the 26 for Thanksgiving.

### Third Grade Goes to Tarleton

Steven B.3<sup>rd</sup>

The third grade took a field trip to Tarleton State to see the planetarium and a play. At the planetarium there was like a rollercoaster ride. I got to see my sister Alice.

The third grade got to have a picnic at the Stephenville Park. We got to play on the jungle gym.

The play was funny. The play was called Once Upon a Wolf. The play was about a wolf that doesn't want to be a bad guy. It was a fun day in third grade.

### P.T.O Fundraiser

Yassiel I. 5<sup>th</sup>

Thursday, October 28, we got a fundraiser package. We had two weeks to sell some items out of our catalog, or package. We had to turn our P.T.O catalog, or package on November 10. Every time we had sold at least five items we could turn in a coupon, and they would had a drawing and you could win an item. If you only sold one item you could win a flexible pencil with its own sharpener. If you sold 150 items you had your choice of picking an X-Box, PS2, six flags bungee-jumping kit, or \$150 in cash!

### Flag Football

Alek C. 3<sup>rd</sup>

The Flag Football season started in September. On the first game the Comanche team beat the Goldthwaite team 34/6. It was cool. I couldn't believe how they could make so many touchdowns and so many points. It has been going on a while, and it has been very fun for the people that have been playing. The people that are playing flag football have been playing very hard to try to win as many games as they could. So they could get 1<sup>st</sup> place!!
