I asked the 1st graders how to make a pumpkin pie and this is what they thought.

**Hayden T. 1st**

First, get a pumpkin. Chop it open. Take the stuff out, put it in the stove. Bake at 80° and put the timer for 75 hours. Take it out and eat.

**Payton N. 1st**

First get a pumpkin. Get a pan and get the inside of the pumpkin without the seeds and put it in the oven for 4 minutes at 4°.

**John W. 1st**

I would carve the pumpkin then I would save the seed cut the string and thread away. It will take 105 hours to make. Then it will be delicious.

**Caroline W. 1st**

Put a pumpkin in it. Add 1 dose

of sugar. Add 2 inches of brown sugar. Put the seeds in the pie. Make the crust. Put it in the oven for a long time. Then eat it.

**Raquel E. 1st**

First I would get the pumpkin. Cut it in pieces. I would put it in a gray round pan. I will put flour on top. I will put it in the oven and I will get it out with my mittens.

**Enna C. 1st**

I would get a pumpkin. Cut off the vine. Pick up the pumpkin and carry it to the house. Take a

knife and cut it open. Chop it into tiny pieces. Get some sugar and some mix and then get a bowl for pumpkin pieces. Mix it together. Bake for 30 minutes at 20°.

**Isaac M. 1st**

Get a pumpkin. Cut off the top. Take out the nasty stuff and seeds. Get some milk, about 1 cup, then 1 cup of sugar. Mix stuff together. Bake into the oven at 10°. Take out and eat.

**Alex S. 1st**

Put a pumpkin in a bowl. Use the inside of the pumpkin. Put in the seeds. Add milk. 2 cups of sugar. Mix together. Cook in the oven. The oven should be real hot. Take pie out and eat it.

**Ian S. 1st**

3 eggs  
Pumpkin of course  
4 cups of milk  
Put it in a pie plate. If you want you can put a topping, like

whipped cream. Cook it in the oven for 5 hours at 20°. Take it out of the oven wait until it cools, then you can eat it.

If I could trade and be my sister I would be very very popular and have a boyfriend and get to have a party. It would be a dream to me! I would already have a vehicle and my own poodle. It would be so much fun! I could even have a cell phone! And I would get my own perfume and a lot of make up, and my own room! I would love it. And I would even have C.D s and a radio.
