Mrs. Speer's Rainforest

Madison Hagood 5th

In Mrs. Speer's class, the fifth graders are making a rainforest. They are studying the rain forest and making the making it makes learning fun! There are going to be trees, vines, and animals in the room. The kids are even allowed to bring their

own stuffed animal, to make the room look real!

Everyone is having a great time learning about and making the rainforest.

"I like how we are making it and learning about it, at the same time!" Zane says.

"I like the monkeys!" says Kaylee P.

As you can see, everyone is working hard and learning, too!

Young Audiences Program

Kailee Hansmire 5th

The Young Audiences is a program where you learn to make good choices at 'WorldMart'. Nancy Burks Worcester is one of the performers from Abilene.

She has four furry friends in the show, Charlotte, Waco, Lily, and Larry.

Drug Prevention Week

Dillon Cotten 5th

On October 28 through November 2, the kids wore different things throughout the week. On Monday we wore hats to put a lid on drugs. On

Tuesday we wore red to get ready to prevent drugs. On Wednesday we wore Halloween shirts to say boo to drugs. On Thursday we wore camouflage to hide from drugs. And on Friday we wore black and gold to team up against drugs.

See The Sea

Brenna Warren 5th

We got to see "See The Sea" again. It happened on October 25, 2007. The people who told us about it were Jerry and Rosemary. We got to see it in the cafeteria. They told us about the wonders of the sea! The different colors of the ocean and types fish were beautiful! It made you feel like you were really there!

Salt Dough Maps Rachel Lilley 4th

On Monday October 29, 2007 the 4th grade classes did salt dough maps in Mrs. Kunkel's class. It was a little sticky but we got through it. If you want to see them go down to Mrs. Barron's stage. They are so neat. The four colors are blue, green, red and yellow. We did the four regions of Texas--Mountains and Basins, Central Plains, Coastal Plains and Great Plains.

We thought the project was educational, but at the same time lots of fun.

How cool was That?!

Mireya Limones 5th

On Thursday November 1 students from the CHS visited the Comanche Elementary School. Their science teacher Mrs. Alex talked to us about magic. She said that magic wasn't a real thing, that it was just science.

Coach's Show Jesus Huerta 5th

On Friday November 2, we went to the Comanche National Bank. The talk show host was Danny Armstrong & Coach Brixey. Some Kids like Kailee Hansmire, Rachel Lilly, Natalie Wright, Austin Hagood, and some more kids went up there and talked on the radio.

When we arrived we got a special treat, brownies and a bottle of water. After we were

done two football players came, a cheerleader, and a color guard. The cheerleader told us to do a cheer.

When we left we said thank you to Mr. Jeff Stewart. Mr. Stewart came last week to take his picture with us. The Comanche National Bank Sponsors the NIE (Newspaper In Education). This is a program where we get papers from Brownwood. We use theses paper in our classes. Thank You Comanche National Bank!!!!!!!
