Wolfpack football

Daniel Volleman 5th

The 5th and 6th grade football

team is now in the championship finals. The team only needs two more games till the super bowl. The first game that we played in the finals was against Brownwood white we had won that game and now we have to play against San Saba that week we beat them 72 to 8. It was the first time someone had scored on us. The good thing was that we won. Since we won that game we are now going to the Super Bowl. The whole team was so excited that we were going to the Super Bowl.

That practice we were able to talk on the radio. Our coach said that our moms can get their window painted. The coach also said that we are going to a steakhouse with a bus. He also told us to wear a nice pair of pants and wear are football jersey to go eat at the steakhouse. After we would eat at the steakhouse we would go to the Gordon Wood Stadium and be ready to play against Early.

The coach said that if we won the Super Bowl we would be invited to nationals and we could play against states like Oklahoma, Arkansas, and Texas. If we do not practice hard than we might not go to the nationals. Wish us luck to win in the super bowl. On Saturday we won against Early 35-0.
