The PTO Program

Natalie Wright 5th

On Tuesday September 25, 2007 all the Kindergarten were at the cafeteria singing songs. The songs included "Itsy Bitsy Spider," "I'm a Little Tea Pot", "Days of the Week," and "Little monkeys swinging in the tree."

I asked them what song they liked and Nathan said he liked "Days of the week." Kristi liked

"Itsy Bitsy Spider." Justin liked "I'm a little Tea Pot." They said that they loved the play and they hope to do another one just like it.

My little brother Nathan said that he was happy that the PTO play was his first play and his favorite. The PTO got a lot of gifts like DVD players, brand new TVs, and balls and foot-balls for the elementary gym. The play was a huge success!!

Mrs. Ferrell's P.E.

Daniel Volleman 5th

According to Mrs. Ferrell grades 1-5 at Comanche elementary have been participating in the Comanche miler's club during P.E. class. Student's jog/walk once a week. The miles are accumulated and recorded for everyone. It will continue throughout the school year. Each six-weeks we do a timed run a sit-up challenge and a push-up challenge. There will be awards at the end of the school year there also is a miler's club t-shirt for 6\$ each. In addition to testing, the students are also learning the value of walking and jogging as a form of fitness they can continue through their lifetime. Parents are encouraged and challenge to walk and jog with their children as they progress through the miler's club program.

Fire Prevention Program

John Whiteside

On Friday, October 10, the Comanche fire department came to give us a program on Fire Prevention. They talked to us about fire alarms. The fireman told us that we should check our fire alarms every month.

Then they dressed up two kids in the firemen's clothing. They have clothing that is fireproof. They told us we should have a plan for escape in case our house catches on fire.

We really enjoyed the program.

The Student Cabinet

Madison Hagood, Morgan Hathcock, and Jesus Hurerta 5th

Four fifth graders were chosen to be in the Superintendent's cabinet of student leaders. The four were Madison Hagood, Morgan Hathcock, Jesus Hurerta, and Colten Jones. We were all chosen because they think, that we have leadership qualities.

During the year, the cabinet has different meetings around town, and they go on several trips. This year we went to Dallas.

During our trip to Dallas, the fifth graders watched the older children speak about our school. Some had ideas that might help our school, and some talked about past meetings that the cabinet went to. We also went to the exhibit hall and got some information about different businesses.

Brownwood Bulletin

Kailee Hansmire 5th

The GT class took a tour of the Brownwood Bulletin in Brownwood on Wednesday September 26. We saw a lot of

rooms including the pressroom, dark room and the main office. Our tour guide/manager Bill Crist was very nice. He taught us a lot about being the manager of the Brownwood Bulletin. The GT class really enjoyed it!

Fun Run

Morgan Hathcock and Natalie Wright 5th

On October 9, 252 kids ran in the school "Fun Run." Some of the Kindergarten girls ran with the boys and one of those kindergarten girls

was Mrs. Callison's daughter McKenna. She beat most of the boys ,but didn't get a medal and she decided to run again but this time with the girls and got a medal. The order that they ran were K-1st , 2nd -3rd , and 4th -5th . Mrs. Ferrell said that she loved that the kids ran In the

Mayor comes to school

Mireya Limones 5th

On September 28 the mayor visited the school, but not as a mayor but as an eye doctor.

He checked the eyes of the kindergarten and first grade students. He talked to them about eye care. It was so great for him to come. I can't wait till he comes back.
