

**Fire Prevention Program**

Dev Bhakta 3rd

We had a fire prevention program on October 8. The firemen came to Comanche Elementary School. They showed us how to be safe in case of a fire. If you hear a beep from your fire alarm you have to get out of your house quickly. And in a fire there will be smoke. Stay down or the smoke could get in your mouth. The smoke is not good for your lungs and your heart. You have to think and act quickly in case of fire. The firemen gave us lots of good information.

**The Annual Book Fair**

Kolton Frazier 3rd

The annual book fair is October 23-29, in the Comanche Elementary Library on. "Heading up" the book fair is Mrs. Mussey,

our school librarian. One of the highlights of the book fair is the Books for Breakfast. No, we don't eat books. But it is a time when parents can come with their children and look at all the books that are on exhibit. They may come from 7:00-7:30 a.m. This is neat. Students may purchase books in the morning before school and again in the afternoon after school until 4:00 p.m.

**The Pep Rally**

Parker Dunn 3rd

On October 16, the Comanche Indians met the Brady Bulldogs in an important football game. Both teams were undefeated. That afternoon, a District wide Pep Rally was held at the Comanche High School Stadium. There was a lot of cheering and the band was

playing. Mrs. Leah Franco was the Master of Ceremonies. There were lots of funny skits and people were dressed in costumes.

Even all of the Elementary kids got in on all the cheering. Mr. Stahnke said he wanted us to cheer as loud as we could. And we did. We had lots of fun.

Cheerleaders were cheering the Indians to victory. The theme was *Bash the Bulldogs*. Mrs. Franco helped plan skits and costumes. I enjoyed the pep rally. And so did all of the Elementary students. We were glad we go to go to the pep rally.

Elementary School students, Grades 1-3, will be doing *Jump Rope for Heart* on October 28-29. Students will collect money and find sponsors before they participate in this program. Students will have lots of fun raising money by finding sponsors that are either friends or family. This is a very important project that our P.E teacher, Mrs. Ferrell has us do. The money goes to the American Heart Association, which is a very important cause. Through participation in this program many people who have heart problems and be helped. Not only does it help people, but it is

good for students to get exercise. They also have lots of fun.
