

COMANCHE ELEMENTARY WARRIOR TIMES

Pre-K - 3

September 2009

By Third Grade GT Columnists

The Boss

Austin Hagood 3rd

I got to interview Mr. Stahnke about the new school year, 2009-2010. He said that some goals for the year are-full

implantation of RTI, begin using Cscope for math curriculum alignment, Exemplary campus, and continual improvement for our campus expectations. I asked him something exciting that had happened this year. He said that the 2nd grade building flooded. We almost had a swimming pool instead of a school. Exciting? Probably not for the custodians.

New Personnel on the Block

Aubry Millwee 3rd

I interviewed two new people on our campus. We welcome them to Comanche Elementary. The first one I will tell you about is Mrs. Melody Schulte. She is the new first grade teacher. She came to Comanche from Wortham, Texas and she has taught second grade and High School. Her goal for first graders is to produce readers.

She received her degree from

Tarleton State University. Her family includes her husband and four children.

The next person I interviewed was Mrs. Mussey, who will be our new librarian. She is from Comanche and will have 23 classes for library time. Can you believe that? She has twins, plus 2 other children in school and a baby nine months old.

We welcome Mrs. Mussey and look forward to meeting her in the library.

Kindergarten Learning

Kolton Frazier 3rd

I got to interview Mrs. Kasberg about the Kindergarten classes. I have always heard that "all you need to know, you learn in Kindergarten." But from what Mrs. Kasberg told me, that must not be true.

In Kindergarten they learn to get along with each other and how

to begin to read and write. They have learning centers where they do art, reading, spelling and one even has toys to play with.

I sort of remember Kindergarten and I know the kids will have lots of fun times.

Our New Assistant Principal

Kenna Hall 3rd

I was privileged to interview Mrs. Jennifer Holland and found out some interesting things about her. She will be our new Assistant Principal. She will be on our Elementary campus part time. She taught at the Comanche High School before becoming a principal. She had to go back to school to do this.

Mrs. Holland was even born and raised here in Comanche. She graduated from high school in Comanche and went to Texas Tech University for her degree. She has a husband along with two sons that are grown. She likes the outdoors and to go camping.

She said she likes her job and especially the staff and the students.
