9/11 Remembrances

Brooke S. 5th

On September 11, 2001, many bad things happened, and we still remember the tragedy that past by. So on September 11, 2003, we had a remembrance of those who lost their lives. The program we set was for us to remember. This program started off like this... Kylie Vestal was selected to read the introduction of Patriots Day and led us in a moment of silence. After the moment of silence, Taylor Stewart, Kerri Debusk, Shandale Riley, Jordan Lane, Brooke Stewart, Kayla Lack, Shala Duhon, Katie Hutchins, and Maegan Caffey did a reading

of September 12, We Knew Everything Would Be All Right, written and illustrated by first grade students of H. Byron Masterson Elementary in Kennett, Missouri. Sarah Taylor sang "The Star Spangled Banner". Blake Bill led us in The Pledge Of Allegiance while Mark Wallace held the American Flag. "American Tears" was sung by the 3rd, 4th, and 5th. Ryan Fizer, Victorino Lopez, Brooke Wilkerson, Sarah Taylor, Alex Chester, Keely Kasburg, Kerri DeBusk, Brooke Stewart, Jade Gore and Annlsa Ellison were the featured singers. So just remember 9/11.

Ivan V. and Brady M. holding The Flag of Honor.

When, Where, What, Why?

Brooke S. 5th When, do you think you learn more? Where, should you lead the younger grades? What, road do you take to success, Left, to the Dump or right, to Success? Why, do you think I asked you these questions?
 Answers:
 In the morning.
 To success.
 Right
 To lead you to knowledge

Say Cheese!

Brooke S. 5th

Flash! The kids in 3rd, 4th, and 5th were supposed to say cheese to their yearly picture. 1st and 2nd took their school pictures on Friday, September 5. All 3rd, 4th, and 5th students and teachers took their pictures on Wednesday, September 3, and the Pre K and Kindergarten took their pictures on Thursday, September 4.

The fifth grade had to go to PE, Music/AR before their pictures so I'm hoping they played nicely and not TOO rough but still had fun. Luckily mine's over. I can't wait till they come in! Spotlight took our pictures.

New Science Teacher
 Hannah T. 3rd

Mrs. Broussard is the new science teacher. She has been teaching for fifteen years. She has taught seven grades. She was 22 years old when she first started teaching.

We will be doing projects all year long. One will be with butterflies. Another project will be an ant farm. I am looking forward to this year.

Box Tops for Education
 Brady M. 5th

Over the summer, we had a box tops for education contest. Whoever collected the most box tops received \$10 from Ms. Carruth. This year's winner was Kyle Crim, who is in the fifth grade. He collected over 100 box tops! Congratulations, Kyle!

All teachers please remind your students to bring in their box tops in plastic zip-lock bags. Each little box top is worth 10 cents. Mrs. Dollins has posted a graph just outside of the computer lab including 3rd, 4th, and 5th grade, showing who is winning the contest. (Fifth grade is winning!) So start bringing those box tops to school!

Selling Ads

Jade G.5th

The fifth grade G/T went out in groups of two with one of the parents who volunteered to drive them to the assigned businesses. The students would have to ask questions, get addresses and phone numbers, and do receipts. It was sort of embarrassing.

After that we got to eat out where we wanted. We had lots of fun.

Thanks to all the businesses. You are all really great.

Mrs. Gleaton

Kylie V. 5th

Hey, kids, do you have tennis balls or used AR books at home? Mrs. Gleaton, the 5th grade reading teacher, will give a piece of candy for every tennis ball you give her, and a dollar for every used book that is AR. But if she has a lot of books that you bring her, she will not take it. If it is a more expensive book, she will pay you more for it. So if you have a sweet tooth, bring those tennis balls, and if you think you have an AR book, bring it and get you some money.
