What was your most embarrassing moment?

**Christopher M. 2nd**  
My most embarrassing moment was when I fell in front of a crowd. I was at a swimming pool. It really embarrassed me.

**Clinton S. 2nd**  
My most embarrassing moment was when I was two years old. I was in my diaper. I had my Pooh bear in my hand and my mother spanked me on my bottom.

**Garrett R. 2nd**  
My most embarrassing moment was when my broth-

er and I were in a stroller. It was a stroller for two, and we ran into a ditch and everybody was watching. It was really embarrassing.

**Karyna D. 2nd**  
My most embarrassing moment was when I went to my grandpa's house. He was throwing a party, and we had to tell a funny joke. Everyone told a joke except me. I was too embarrassed. So I didn't tell one.

**Kaycee C. 2nd**  
My most embarrassing moment was when I ate a cockroach. It didn't taste very good, and my mother was horrified.

**Kyli C. 2nd**  
My most embarrassing moment was last year when I was playing soccer. My dad

had me out where you help the goalie. The soccer ball came toward me, and I forgot that I could not use my hands. When I picked up the ball, we were playing DeLeon. I was so embarrassed.

**Princess R. 2nd**  
My most embarrassing moment was when my big brother told me that a waterbus was candy, and I ate it. My mom got half of it out of my mouth before I swallowed it. I was upset and embarrassed.

**Ranlee K. 2nd**  
My most embarrassing moment was my first day of school. I didn't know where to go. I didn't know everyone in my class, and I didn't know my teacher. I actually was scared and embarrassed.

**Saul G. 2nd**  
My most embarrassing moment was when I was little. I went to my grandpa's house. He opened the gate to the pigpen. Then a pig got out and was chasing me. My brother was laughing at me. I was so embarrassed.

**Steven B. 2nd**  
My most embarrassing moment was when I turned on all the lights in the airplane. That's when I was four years old. It was nighttime. All the people were yelling because I had waked them from sleeping. I was so embarrassed.

**Tonna S. 2nd**  
My most embarrassing moment was when I ate a spider. I was at my aunt's house. Everybody laughed at me. I wanted to crawl under the table.

These are the things these first graders would wish for if they were stranded on an island.
