I would like to travel. I want to travel to Mars. I would talk to aliens. The alien might ask me "Hey, what are you doing?" and I might say, "Well, what are you doing?" Since there is no gravity, we would be flip flopping around. I would have fun on Mars.

If I could have any animal in the world it would be the Koala because they live in Australia. Koalas are my favorite animals because they live in Gum trees and they are soft and cuddly.

I wish I could help the Koalas because they are endangered but I cannot. So I will go to the zoo and try to see a Koala

before they are extinct.

I will work as hard as I can so maybe it will be enough to protect the Kolas for a long, long time to come so more and more people can see the Kolas in there natural habitat!
